

Augustus 2023 8 nachten waren Judith en Frank in Mhofu. Zij boekten op het laatste moment hun trip naar Zuid-Afrika en startte in vakantiehuis Mhofu. Zij besloten niet te gaan trekken maar rondom Kruger Nationaal Park te blijven, compleet verliefd op de wilde dieren en de mooie natuur.

...To wake up like this,

Looking forward to
tomorrow already 😊 ...

... Not even visited
Krugerpark today, but we
already had the most
amazing impressions 😊 ...
And on top, we finished
the day with a beautiful
sunset ❤️ ...

With 3 impala's just being a few
meters away from us right now,
we call it a day 😊 ...

Bring it on tomorrow ...
we can't wait 😊!!

... And this cute little bush
baby kept us busy tonight 😊 ...

... A small slice of banana
happens to be a favorite 😊 ...
